Sandro DERNINI received his Doctor's degree in Biology from the University of Cagliari (Italy) and his Ph.D. from the School of Education of the New York University (USA). Since 2002, he is the coordinator of the Forum on Mediterranean Food Cultures. Since 2010, he is a consultant at FAO. From 2006 to 2011, he was the coordinator of the International Interuniversity Centre for Mediterranean Food Cultures Studies (CIISCAM); and from 2007 to 2010, he was the head of the technical secretariat office of the president of the Italian National Research Institute on Food and Nutrition. He is the coordinator of Plexus International, a network of artists and scientists. He is a member of the international scientific committee of the Foundation for the Advancement of the Mediterranean Diet, of the ONG Nutrition without Borders (Nutricion sans Fronteras) and of the International Society for the Advancement of Living Traditions in Art.

Born in Cagliari, Sardinia, Italy, in 1949.

EDUCATION

- Doctorate in Biology, School of Science, University of Cagliari, Italy (1974);
- PhD. in Art Education, School of Education, New York University (1997).

EXPERIENCE

- FAO consultant (2010-present) for the development of sustainable diets activities and sustainable food systems programme, Rome;
- Coordinator of the Forum on Mediterranean Food Cultures (2002-present), Rome;
- Coordinator of the CIISCAM-International Interuniversity Studies Centre on Mediterranean Food Cultures (2006-2011), Rome;
- Scientific Head of the President's Technical Secretariat of the Italian National Research Institute on Food and Nutrition (2007-2010), Rome;
- FAO consultant (2000-2002) for the development of FAO Network of Centres of Excellence on Food Quality, Safety and Nutrition, Rome;
- Coordinator of the Interdepartmental Well Being Centre of the University of Cagliari (1994-1999), Cagliari;
- Coordinator of Plexus International (1982-present);
- Executive Director of the Centre for Contemporary Italian Culture of New York University (1980-1982), New York;
- Researcher at the Biochemistry Institute of the University of Rome Sapienza (1974-1979), Rome.

MEMBERSHIP IN PROFESSIONAL SOCIETIES

- Member of the International Scientific Committee of the Foundation for the Advancement of the Mediterranean Diet (2004-present);
- Member of the International Scientific Committee of Nutricion sin Fronteras (2005-present);
- Member of the International Scientific Committee of the International Society for the Advancement of Living Traditions in Art;
- Member of the Italian Society of Human Nutrition (2003-present).
